The following is a summary of the decisions regarding the State Team Event that were made at the meeting. This was the only item of business discussed at the meeting.

1. There will be two men's teams. The men's teams will have their entry fee paid by the league and the league will also give each team member \$50 for expenses. The \$50 will be paid to the members on the day of the event. There is an option to have a women's team if there are enough women willing to play after the GTCDA selects their 2nd women's team.
2. The first men's team was decided by vote. There were no opposing motions to deciding the first team in this manner. There were opposing motions to determine if the voting would be ranked or not ranked. The decision to rank the vote passed 5 to 4. Each active member voted for their first team from the eligible men and ranked the members from 5 to 1. The ranking vote for the first team was as follows: Greg Fields-43, Steve Moore-32, Tony White-19, Tim Walker Jr.-15, Chad Ferrell- 13.
3. The second men's team will be determined by qualifiers. There were no opposing motions to qualifying the second men's team. There will be 3 qualifiers. The dates will be determined by Greg and Steve and posted on the website by the end of the current week. The qualifiers will be pre-registration. If a player fails to show up to a qualifier after pre-registering, then that player is ineligible for the remainder of the qualifiers and cannot be on the state team for 2013. The fee for the qualifiers will be \$5 individually or \$10 for all 3. The format of the qualifiers will be a round robin. Two qualifiers will count towards the overall win percentage for a player. The top 5 players will be the second men's team.
